

Death to Virtual Meetings?

Wednesday, March 24, Delta Ottawa

**BOMA OTTAWA
LUNCH SERIES**

As we emerge from a pixelated fog due to a bad internet connection and we tear off the sweatpants while shoehorning into our old suits... are we ready to twist the knife on virtual meetings and finally be done with:

"You're on mute, Jessica" or "Could you please mute yourself WARREN?!".

As back to the office looms, opportunities abound in Ottawa's commercial real estate market; with none more than the potential held within our office sector. BOMA Ottawa welcomes you to our first live lunch event since March 2020, where Jessica Whiting and Warren Wilkinson of Colliers International will explore how Ottawa's office market will fair over the next few years. Is our office product still relevant to our core customers, or are we in need of an evolution to accommodate a changed workforce?

Please join your fellow BOMA members as we look forward to a familiar, or potentially unfamiliar, future.
