

Growth Is In The Air

Wednesday, February 13, Westin Ottawa

BOMA OTTAWA
LUNCH SERIES
SPONSORS:

Ottawa's Commercial and Industrial Real Estate is firing on all cylinders. Growth is in the air and momentum is gaining steam on a business front while growth in City infrastructure is keeping pace – facilitating growth.

Despite all of this positivity, there are risks to growing if not handled properly. 2019 will be a key year on both the Office and Industrial front which could determine if growth continues, stagnates or fizzles.

Join us on February 13th as Shawn Hamilton, Senior Vice President and Managing Director of CBRE Limited, discusses how we need to manage our growth effectively while avoiding the traps that could undo much of the gains we have made.
