

Tuesday, February 4th, Westin Ottawa Ottawa – A Decade in Review

The last 10 years have seen an unprecedented rate of change at all levels for the City of Ottawa.

Our population has hit 1 million people, large-scale community infrastructure is being invested in with an eye for future growth and our place as a world class technology hub is thriving. We are no longer just a government town and over the course of this upcoming decade Ottawa promises to change in fundamental ways.

How have the changes of the past decade set us up for the future, what are the risks, what are the opportunities and will the next 10 years be the Roaring 20's for Ottawa?

Join us as Shawn Hamilton from CBRE provides context on what this growth means as it pertains to our commercial real estate industry
